

Appendix C: Updated appraisal of site alternatives

The appendix utilises the same matrices and text as the Pre-Submission SA Report (2023) Appendix H. Where there are changes to the text or scoring in Appendix H these have been identified in underline for new/additional text or with ~~strikethrough~~ for deleted text.

Scoring system used in the SA

Score	Description	Symbol
Significant Positive Effect	The option contributes significantly to the achievement of the objective.	++
Minor Positive Effect	The option contributes to the achievement of the objective but not significantly.	+
Neutral	The option does not have any effect on the achievement of the objective	0
Minor Negative Effect	The option detracts from the achievement of the objective but not significantly.	-
Significant Negative Effect	The option detracts significantly from the achievement of the objective.	--
No Relationship	There is no clear relationship between the option and the achievement of the objective or the relationship is negligible.	~
Uncertain	The option has an uncertain relationship to the objective or the relationship is dependent on the way in which the aspect is managed. In addition, insufficient information may be available to enable an appraisal to be made.	?

NB: where more than one symbol/colour is presented in a box it indicates that the appraisal has identified both positive and negative effects. Where a box is coloured but also contains a '?', this indicates uncertainty over whether the effect could be a minor or significant effect although a professional judgement is expressed in the colour used. A conclusion of uncertainty arises where there is insufficient evidence for expert judgement to conclude an effect.

Results of the appraisal of proposed land allocations

The assessment of proposed housing and employment land allocations is contained in an Excel spreadsheet available separately from the Locals Plans team: Localplan@ashfield.gov.uk. Results of the assessment is provided below.

All sites have been appraised in line with the site appraisal criteria scoring framework (Pre-Submission draft SA Report (Nov 2023) Appendix L).

Reasons for the selection/rejection of site alternatives

The reasons for the selection of the proposed allocations contained in the Regulation 19 Pre-Submission Draft Local Plan and for the rejection of reasonable alternatives considered by the Council and appraised as part of this SA Report are set out in the table below. Note that options which have been granted planning permission subsequent to the Regulation 18 consultation but were previously appraised have been retained as 'reasonable alternatives' and included in the SA because an assessment had already been undertaken and previously presented. Where sites have been developed since the Regulation 18 consultation these have been removed as reasonable alternatives (this is applicable to SA043 and KA029).

Site Ref:	Use	Status at Reg 19	Allocation Ref	Site Address:	Justification by the Council for Selection / Rejection
HK001	Housing	Reasonable alternative		Common Lane, Hucknall - Site A	Not selected - Located in the countryside on Main Urban Area fringe, serves a Green Belt function, anticipated that it could only come forward as a comprehensive site.
HK002	Housing	Reasonable alternative		Common Lane, Hucknall - Site B	Not selected - Located in the countryside on Main Urban Area fringe, serves a Green Belt function, anticipated that it could only come forward as a comprehensive site.
HK003	Housing	Reasonable alternative		Common Lane, Hucknall - Site C	Not selected - Located in the countryside on Main Urban Area fringe, serves a Green Belt function, anticipated that it could only come forward as a comprehensive site.
HK004	Housing	Reasonable alternative		Common Lane, Hucknall - Site D	Not selected - Located in the countryside on Main Urban Area fringe, serves a Green Belt function, anticipated that it could only come forward as a comprehensive site.
HK007	Housing	Reasonable alternative		South of High Leys Road, Hucknall	The site has planning permission for housing development, along with adjacent site HK036 for a total of 9 dwellings. This is counted towards the overall housing supply as a commitment, but is not allocated in the plan as it falls below the Council's standard approach of only allocating sites with a yield of 10 dwellings or more.
HK009	Housing	Proposed allocation	H1Ha	Seven Stars PH, West Street / Ogle Street, Hucknall	Selected - The site is located the main urban area within 400 km of Hucknall Town Centre. It contributes towards meets the requirement for small sites as set out by NPPF para 69.
HK011	Housing	Reasonable alternative		Land off Bolsover Street, Hucknall	The site has planning permission for housing development, for a total of 9 dwellings (6 new build plus 3 change of use). This is counted towards the overall housing supply as a commitment, but is not allocated in the plan as it falls below the Council's standard approach of only allocating sites with a yield of 10 dwellings or more.

Site Ref:	Use	Status at Reg 19	Allocation Ref	Site Address:	Justification by the Council for Selection / Rejection
HK013	Housing	Proposed allocation	H1Hb	Linby Boarding Kennels, East of Church Lane, Hucknall	Selected - The site is located on the main urban area fringe relatively closely to residential development. Planning permission has been granted for the redevelopment of the various aspects of the site and it is considered that there are exceptional circumstances for taking the site out of the Green Belt. The Heritage Impact Assessment identifies there is no harm to the historic environment and a minor impact on the level of change to the historic landscape character with a recommendation to retain the proposed allocation.
HK016	Housing	Proposed allocation	H1Hc	Land north of A611 / South of Broomhill Farm, Hucknall	Selected as part of the substantial site allocated identified as land north of A611 / South of Broomhill Farm, Hucknall. See HK051.
HK019	Housing	Proposed allocation	Part of H1Hc	Land rear 214 - 220 Nottingham Road, Hucknall	Selected as part of the substantial site allocated identified as land north of A611 / South of Broomhill Farm, Hucknall. See HK051.
HK020	Housing	Proposed allocation	Part of H1Hc	Land rear 224 Nottingham Road, Hucknall.	Selected as part of the substantial site allocated identified as land north of A611 / South of Broomhill Farm, Hucknall. See HK051.
HK022	Housing	Proposed allocation	H1Hd	Land adjoining Stubbing Wood Farm, Watnall Road, Hucknall	Selected - The site is located adjacent to a sustainable settlement, Hucknall, adjacent to residential development. It is considered that there are exceptional circumstances for taking the site out of the Green Belt. Further information on the Green Belt Exception approach is set out as part of the Background Paper No1 Spatial Strategy and Site Selection 2023 and Background Paper No 4: Green Belt Harm Assessment 2023. The Heritage Impact Assessment identifies there

					are heritage implications from the allocation with a recommendation to retain with mitigation.
HK023	Housing	Proposed allocation	H1He	Phases 5 (part) and 9, land at Rolls Royce, Watnall Road, Hucknall	Selected - The site is located within the Main Urban Area. Planning permission has been granted for housing development subsequent to the Draft Local Plan 2021. The site will contribute toward meeting the housing need and can be brought forward in conjunction with the exiting development at Rolls Royce.
HK024	Housing	Proposed allocation	H1Hf	Phase 9, Rolls Royce, Watnall Road, Hucknall (Formally known as Phases 10,11,12, land at Rolls Royce, Watnall Road, Hucknall).	Selected - The site is located within the Main Urban Area. Planning permission has been granted for housing development subsequent to the Draft Local Plan 2021. The site will contribute toward meeting the housing need and can be brought forward in conjunction with the exiting development at Rolls Royce.
HK025	Employment	Proposed allocation	EM4 h4	Surplus land for employment, Rolls Royce, Watnall Road, Hucknall	Selected - The site is located within the Main Urban Area. Planning consent has been granted for employment development. The site will contribute toward meeting the employment land need and can be brought forward in conjunction with the existing development at Rolls Royce being integrated into Harrier Park.

HK027	Mixed Use	Reasonable alternative		Former Hucknall Football Club site (eastern part), Watnall Road, Hucknall	The site has planning consent for a Food Store (A1), under V/2020/0306.
HK028	Housing	Reasonable alternative		Whyburn Farm to the north of Hucknall	Not Selected – While the site was identified as a proposed strategic mixed use allocation in the Draft Local Plan 2021 it has not been taken forward. The reasons for it not being taken forward in the Regulation 19 stage are due to the potential adverse impact on the Sherwood Forest possible potential Special Protection Area (ppSPA) an area value for ground nesting birds, its potential adverse impact on Annesley Hall Grade II* Registered Park and Garden, and also the significant level of local opposition to the site being removed from the Green Belt, amongst other grounds of objection. Further detail is set out in the SA Report covering the spatial strategy.

					than previously assessed. Not selected – Site area now below size threshold.
KA035	Housing	Reasonable alternative		Land east of Sutton Parkway Station, Kirkby-In-Ashfield	Not Selected – Located in the countryside on the Main Urban Area fringe. The site has been proposed for allocation in a number of draft local Plans, without a Plan being adopted. It has encountered substantial Local opposition. Not selected - Located in the countryside on the Main Urban Area fringe. This site incorporates sites KA027 (allocated for employment). The entire site had a potential capacity for housing of around 532, however after subtracting the allocated employment area, this falls to 177 dwellings. This additional area has not been put forward for housing because of the incompatible future use of the adjacent land for employment purposes, and associated access which would be through the new industrial estate. The Council continues to drive local growth through innovation via its ambitions of skills, employment, businesses and investment. The development of the Automated Distribution and Manufacturing Centre (ADMC) and associated Innovation Park is part of that drive and may include future expansion of opportunities in the vicinity.

KA051 (including KA041-KA045)	Mixed	Reasonable alternative		Kirkky Lane	The site was considered as part of a New Settlement Study. It has the potential to deliver approximately 1,600 dwellings and was located in close proximity to significant employment areas which would present job opportunities. However, the site has a number of significant constraints which include, that key areas of land to the north of the proposed settlement were not put forward by the landowner, which would form a important access point onto Pinxton Lane and the A38; The proposed settlement is in multiple land ownerships ; Biodiversity issues in relation to adjacent Ancient Woodland, designations of Nature Conservation Areas and Mature Landscape Area; and there is the presence of a ground gas main and overhead powerlines. There were also serious viability challenges, principally due to the level of on-site and off-site reinforcements that would be likely to be required. Given these various constraints it is not considered that the site is suitable to be brought forward at this time.
KA052	Travelling Showpeople	Reasonable alternative	H2a(b)	Land off Park, Lane, Kirkby-in-Ashfield	Selected – Together with site KA022 the site is allocated to meet the future needs of travelling showpeople. Part of the site (allocation H2a(a) has planning permission and the additional area forms a logical extension to the existing site.

KA053	Employment	Reasonable alternative		Land east of Sherwood Business Park A611, Annesley	Not Selected – The site is located in the Green Belt for which exceptional circumstances would need to be demonstrated for the change of the Green Belt boundary. The A611 forms the defined boundary of the existing Sherwood Business Park. The allocation of the site would extend development into the countryside to the east of A611. The eastern southern boundary abuts the Annesley Hall Register Park and Gardens and would require mitigation measures. In this context, the size of the proposed site would make a limited contribution towards the strategic logistics needs along the M1 Motorway.
No SHELAA ref	Housing	Proposed allocation	H1Kk	Laburnum Avenue, Kirkby-in-Ashfield	Selected – The site has a resolution to grant planning permission subject to the signing of a S106 legal agreement. As such it is considered that it meets the NPPF's definition of being deliverable.

SA026	Housing	Reasonable alternative		Rookery Lane Farm, (<u>western parcel only</u>) Sutton-In-Ashfield	Not Selected – The site form part of an open area within Sutton in Ashfield with linear residential development along Alfreton Road to the south and an industrial estate to the west. The open area has been eroded by planning permissions for residential to the north west. It is considered important to retain the remaining open area. In addition, the site has no suitable access for the development from the highway and it has not been identified that the site could come forward and is deliverable. Partially selected as SA092 - The eastern section of this site has been proposed as a new housing allocation H1Sak (SA092) and has full planning permission for 78 dwellings. However, the remaining part of the site (63 dwellings) has no identified means of access and therefore is not considered to be deliverable at this moment in time.
SA028	Housing	Reasonable alternative		Land at Carnarvon Cottage, Silverhill Lane, Teversal	Not selected - The site is not near to services and is not considered to be a sustainable location for the proposed development. The site is located adjacent to Fackley where it can be seen as have a more rural character. It would represent the development of a greenfield land intruding into a key 'green gap' identified in the Teversal, Stanton Hill and Skegby Neighbourhood Plan. It would also be detrimental to the settlement pattern to this part of Fackley.

SA082	Housing	Proposed allocation	H1St	Land off Blackwell Road/Main Street, Huthwaite	Selected - The site is located in the countryside adjacent to a sustainable settlement, Huthwaite. The site will make a contribute towards meeting the future housing need.
SA083	Housing	Reasonable alternative		Land off Fackley Road, Teversal	Not selected - The site is located adjacent to Fackley but would form a substantial extension into the countryside and the green gap between Teversal and Stanton Hill and would be detrimental to the settlement pattern to this part of Fackley. The site extends into open countryside and encroaches into a highly valued green corridor as identified in the Teversal, Stanton Hill and Skegby Neighbourhood Plan (Policy NP4). The site remains isolated from the services and facilities at Stanton Hill Local Shopping Centre and Sutton town centre beyond.
SA084	Housing	Proposed allocation	H1Su	Rear 113 to 139 Beck Lane.	Selected - The site comprises SA005, SA006 and part of SA011. It is located in the countryside but an extension to the north of the residential development that was granted planning permission on appeal for 322 dwellings. The site will make a significant contribution towards meeting the future housing need.
SA085 includes SA075, SA076 & SA077	Housing	Reasonable alternative		Land at Cauldwell Road	Not Selected – While the site was identified as a proposed strategic housing allocation in the Draft Local Plan 2021 it has not been taken forward.
