Volunteering in Ashfield from December 2019

'Be Inspired' - Make a Difference

Days/Times	Organisation	Contact	Venue	Information
Usually weekday evenings, with optional visits during the day	Governors for Schools (recruiting School Governors in schools across Ashfield and Nottinghamshire)	Adam Youngman Adam.youngman@governorsforschools.org.uk 020 7288 9532	Schools across Ashfield and Nottinghamshire	<p>Being a school governor is a chance to experience leadership at board level at any point in one's career. Governors balance the school's budget, hire the headteacher and make strategic decisions. The role provides individuals with the opportunity to develop and hone skills such as negotiation, influencing and teamwork.</p> <p>Governors are responsible for overseeing the management side of a school: strategy, policy, budgeting and staffing. They enable their school to run as effectively as possible, working alongside senior leaders and supporting teachers to provide excellent education to children. School governors commit to attending governing body meetings which consider issues such as setting the school vision, mitigating financial risk and scrutinising educational outcomes. They are also involved in the school community, acting as critical friends to the headteacher and senior leaders.</p> <p>Volunteers need to be dedicated people who care about improving education, but they do not need prior board experience. It makes the role perfect for professionals looking to improve their business and leadership skills, give back to society and enhance children's futures.</p>
